

2in1 MAGNET BUSINESS WALLET CASES

New **2in1 WALLET & 2in1 BUSINESS WALLET** cases by **IDOL 1991** for the new **Samsung Galaxy Note 4 and Apple iPhone 6**. They are two different cases Book and Faceplate, which are incorporated into one. It is made entirely of high quality leather with magnetic strap fastened on the back side, for greater safety. It is available in 3 colors, black, blue and camel.

The device internally, is adapted to faceplate, which is held by very strong magnets. The Faceplate is removable and so you can use it separately from the Book case.

Additionally they give you full access to all functions of your smartphone due to the special slots and cutouts. The **2in1 BUSINESS WALLET** features retractable position for banknotes and cards, which makes them excellent and very useful option, since you have everything with you.
