

B-081S DEFENSE ARMOR GAMING MOUSE MAT

Smooth Surface

Non-Slip Rubber Base

Recover Fast

EXCEPTIONAL FINE
KNITTING CRAFT EDGES

Bloody mouse mat made with exceptional fine knitting craft to the pad edges as to protect the braided edges not to be tilted easily or too sharp to cut the hand. It also ensures the pad is durable for prolonged life time with comfort.

EASY TO MOVE AND STOP

Made of pliable material, the pad is easy to roll up or expand. The grid at the pad bottom produces tremendous air while expanding to form resistance-free surface. It ensures the mouse tracking performs with optimal accuracy

EXCEPTIONAL FINE
KNITTING CRAFT EDGES

Bloody control-mats has marvelous smooth and flat texture, it is suitable for gamers who needs slipping quickly across with hindrance to hit the targets faster and efficiently.
